NSA1	National Smokejumper Assoc	N. Fk. Bunker Creek/Warrior Creek	SBRD	7/25	7/30	6	5	Bunker Cr. Road	8	In	Paul Pasley
Out SBRD											

- Packers are always welcome to stay with the crew on the pack in and the day/night before on the pack out. BMWF will provide food. Advise BMWF if doing so for food planning.
- Volunteer packers may request mileage reimbursements at \$.45/mile DRIVEN (not packed) up to \$150/one-way OR a letter from the BMWF outlining in-kind packing services for tax purposes/deductions. Please note if letter is requested, BMWF cannot define value of services. Packer determines value. Consult your tax advisor with more questions.
- Dates and locations subject to change, check with BMWF 1-2 weeks before pack dates for any changes.
- All packers MUST have the following: 1) current USFS approved horsemanship class, 2) signed JHA (Job Hazard Analysis) form provided by BMWF, 3) be in good standing with local USFS office.
- Mileage depends on camp selected. Within stated range.
- Maximum # of volunteers refers to the # open spaces on a project. Although we could have a full crew, generally, adult crews are between 5-7 volunteers and youth crews are 10-12 volunteers.
- All WEEDS projects include possibility of transporting herbicides in concentrated liquid, powder or other form as well as spray backpacks/weed gear.
- All other projects may include packing tools, crosscut saws, bear resistant boxes, food, kitchen supplies and personal gear.
